1 Any additional (sensitive) personal information collected under the **Introducer Appointed Representative agreement is directly collected and processed at the Insurance Factory Ltd site and not by Office Depot. We invite you to visit the Insurance Factory Ltd privacy policy which you can access via <https://www.insurancefactory.co.uk/privacy-policy>*

Viking Direct Insurance Services is a trading name of Office Depot International (UK) Ltd, an Introducer Appointed Representative of Insurance Factory Ltd which is authorised and regulated by the Financial Conduct Authority (No. 306164).

4. Our legal basis for processing your personal information

Whenever we process your personal information we have a legal basis for what we do. The different legal bases we rely on are:

- **Consent:** You have told us you are happy for us to process your personal information for a specific purpose;
- **Legitimate interests:** The processing is necessary for us to conduct our business, but not where our interests are overridden by your interests or rights.
- **Performance of a contract:** We must process your personal information in order to be able to provide you with one of our products or services;
- **Prevention of fraud:** Where we are required to process your data in order to protect us and our customers from fraud or money laundering;
- **Public information:** Where we process personal information which you have already made public;
- **Legal claims:** The processing of your personal information is necessary for the establishment, exercise or defence of legal claims or whenever courts are acting in their judicial capacity; and
- **Legal obligation:** We are required to process your personal information by law.

5. How we use the information

The (personal) data collected about you will be processed, used and stored and used only for the indicated purpose(s), including to:

- Manage your account;
- Process and execute your order;
- Payment process;
- Personalization of the website;
- Deliver products based on your interests;
- Improve the quality of our products and develop new ones;
- Analyse trends; and
- Improve of site design and security.

6. Our service providers

Office Depot may engage subcontractors, partners and suppliers to provide the product and services. These third parties process your (personal) information on our behalf and are required to meet our security and privacy standards. These third parties include:

- Logistics and delivery providers;
- Payment service providers;
- Partners that provide insights and analytics services;
- Advertising companies;
- Credit Reference Agencies who may share your data with other organisations to make credit decisions ([CRAIN](#));
- Security and fraud prevention companies to ensure the safety and security of our customers, suppliers and employees; and
- Partners which run our customer service centers.

Office Depot will not share any of your information with companies outside our group unlawfully.

7. How we protect your (personal) data

We are dedicated to protect your (personal) data and the systems it is held in. We have defined and implemented adequate technical and organisational measures against any unauthorised access, unlawful use, accidental loss, corruption or destruction. This way, we are confident that your (personal) data will be processed on a strictly 'need to know basis', when and where appropriate and necessary.

As we are fully aware threats evolve and diversify and we wish to sustain your trust throughout the years, we regularly review and update our security measures and infrastructure, with a view to mitigate operational risks and maintain our security programs up to the latest industry-accepted standards and best practices.

8. International transfers of your (personal) data

Please be informed that we might transfer and process any (personal) data you provide to us to countries other than your country of residence. The laws of these countries may not afford the same level of protection to your (personal) data. We will therefore seek to ensure that all adequate safeguards are in place and that all applicable laws and regulations are complied with in connection with such transfer. More in particular for data transferred from the EU to countries outside the EU, we will use Intra Group Data Transfer Agreements based on EU Model Clauses.

9. Security

We will take reasonable steps to ensure that your (personal) data are properly secured using appropriate technical, physical, and organizational measures, so that they are protected against unauthorized or unlawful use, alteration, unauthorized access or disclosure, accidental or wrongful destruction, and loss. Your (personal) data will be retained for as long as required for the above purposes or in so far as such is necessary for compliance with statutory obligations and for solving any disputes.

10. Data retention

We retain your (personal) data for as long as required to perform the purpose for which they were collected and used (for example, for the time necessary for us to send you the newsletters you subscribed to, to provide you with customer service, answer queries, etc.), unless a longer period is necessary for our legal obligations or to defend a legal or financial claim.

11. Your rights*²

You have a number of rights under data protection legislation which, in certain circumstances, you may be able to exercise in relation to the personal information we process about you;

These include:

- the right to access a copy of the personal information we hold about you;
- the right to correction of inaccurate personal information we hold about you;
- the right to restrict our use of your personal information;
- the right to be forgotten;
- the right of data portability; and
- the right to object to our use of your personal information.

Where we rely on consent as the legal basis on which we process your personal information, you may also withdraw that consent at any time. Please note that we will need to verify your identity before we can fulfil any of your rights under data protection law. This helps us to protect the personal information belonging to our customer against fraudulent requests.

The following link will take you to the subject access request form if you would like to exercise one of your rights as set out above. <http://sar.officedepot.eu>

**² Viking Direct Insurance Services access requests are handled directly by the Insurance Factory Ltd. If you have any questions or want to exercise any of your data rights please contact the Data Protection Officer at: Data Protection Officer, Distinct Business Insurance, 45 Westerham Road, Bessels Green, Sevenoaks, Kent, TN13 2QB.*

12. Cookies and similar technologies

What are Cookies?

A cookie is a piece of data, a text file with anonymous information that includes a unique user identification and website name. Tracking technologies such as cookies, beacons, tags and scripts may be used for analysing trends. For further information please be referred to the Cookie Notice.
